

REACH & RoHS Compliance Statement

HLH Rapid Limited
Suite 11 & 12A, 44 Potternewton Mount
Leeds LS7 2DR, United Kingdom

Building A, Hongfa Industrial District
Houda Road, Daling Shan
Dongguan, Guangdong, China

Website: www.hlhrapid.com

Date: 19/08/2024

Product Information

- Product Type: injection moulded plastic components, plastic and metal machined components and parts, die cast aluminium and zinc, aluminium forgings, sheet metal parts and prototypes, 3D printed parts and vacuum cast parts and prototypes
- Description: This declaration covers all parts manufactured using HLH Rapid Limited's in-house production processes from materials sourced by HLH Rapid Limited.

REACH Compliance Declaration

HLH Rapid Limited hereby declares that our products are compliant with the European Union Regulation (EC) No 1907/2006 concerning the Registration, Evaluation, Authorization, and Restriction of Chemicals (REACH).

Substance Registration: All substances contained in our products that require registration under REACH have been duly registered.

Substances of Very High Concern (SVHC): HLH Rapid Limited confirms that, to the best of our knowledge, our products do not contain any of the substances listed on the current ECHA Candidate List of Substances of Very High Concern (SVHC) in concentrations above 0.1% weight/weight.

Restricted Substances: Our products comply with all restrictions on the manufacture, placing on the market, and use of specific dangerous substances, mixtures, and articles under REACH.

REACH & RoHS Compliance Statement

RoHS Compliance Declaration

HLH Rapid Limited declares that our products comply with the European Union Directive 2011/65/EU, known as the Restriction of Hazardous Substances Directive (RoHS), including the latest amendment, Directive (EU) 2015/863.

The following hazardous substances are not present in our products, or, if present, they are within the allowable limits:

- Lead (Pb): < 0.1%
- Mercury (Hg): < 0.1%
- Cadmium (Cd): < 0.01%
- Hexavalent chromium (Cr6+): < 0.1%
- Polybrominated biphenyls (PBB): < 0.1%
- Polybrominated diphenyl ethers (PBDE): < 0.1%
- Bis(2-ethylhexyl) phthalate (DEHP): < 0.1%
- Benzyl butyl phthalate (BBP): < 0.1%
- Dibutyl phthalate (DBP): < 0.1%
- Diisobutyl phthalate (DIBP): < 0.1%

Document and Evidence

HLH Rapid Limited maintains detailed records of compliance for all materials and components used in our products. These records are available for review upon request. The records are all in Chinese. We have obtained declarations from our suppliers confirming the absence of the restricted substances or the adherence to the allowable limits set forth by RoHS and REACH regulations. We will continue to monitor and update our compliance status as per the updates and new substances added to the RoHS and REACH regulations.
